**BEES ARE 125 FEET IN AIR**

Establish Themselves on Alton Standpipe and Store Honey.

Bees have established themselves at the top of the 125-foot standpipe of the Alton Water Co. on State street, and are making honey there.

The bees alighted a few days ago under the flange of the steel cap of the tank at the top and they are well protected from the rain and the sun. John Monaghan, a Grafton road gardener, who made an investigation found the combs, which can be seen from State street below, filled with honey.—St. Louis Dispatch.

Young people need clear complexions

If you find yourself "left out" because of a poor skin, and want a clear, fresh complexion, use

**Resinol Soap**

at least once a day. Wash thoroughly with a warm, creamy lather of it, then rinse the face with plenty of cold water.

It does not often take many days of such regular care with Resinol Soap to show an improvement, because the Resinol medication soothes and refreshes the skin, while the perfectly pure soap is cleansing it. Resinol Soap and Creamer heal eczema and skin eruptions and usually stop itching instantly.

MARATHON SWIMMER  
HOLDS WORLD TITLE

ANNA KEAN

Miss Anna Kean of the German-town Young Woman's Christian Association has, during the past open season, won not only the American but the world title over the Marathon route. She swam twenty-six miles in 11 hours, 8 minutes and 41.3 seconds in the Delaware river. The feat is the greatest in combined speed and endurance ever accomplished by a woman.

Aches and Pains of rheumatism are not permanently but only temporarily relieved by external remedies. Why not use an internal remedy—Hood's Sarsaparilla, which corrects the acidity of the blood on which rheumatism depends and cures the disease?—Adv.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
